You speak a one-word command to a creature you can see within range. The target must succeed on a Wisdom saving throw or follow the command on its next turn. OATH SPELLS

If you gain an oath spell that doesn't appear on the paladin spell list, the spell is nonetheless a paladin spell for you.

CHANNEL DIVINITY

Your oath allows you to channel divine energy to fuel magical effects. Each Channel Divinity option provided by your oath explains how to use it.

When you use your Channel Divinity, you choose which option to use. You must then finish a short or long rest to use your Channel Divinity again.
